A BANNER YEAR - 2010

by Merrilyn Gauld

This is a banner year for BECA and the students that this committee supports. Our budget of \$24,500 will go toward supporting 109 students in the year 2010-11. There are 22 university students pursuing their studies in Ensenada and Tijuana. Fifty nine (59) students attend the high school here in La Misión, and 5 BECA students attend the Santa Anita Primaria. BECA also provided 100 backpacks with some school supplies to several schools in our community.

Our high school students and their parents were instrumental in cleaning up our estuary this last September. They picked up well over 50 bags of trash from the estuary and the Federal Road. What a wonderful learning experience for one and all. BECA students and their parents have worked hard to support all BECA events. The mothers cooked all the delicious fare for our last event of the year, the Rancho Fandango. Many of the students helped in setting up the event as well as working to secure the event.

We are proud to continue our support for these fine students and their quest for learning.
