Enjoy this wonderful photo of Marty Harriman and her beloved Midnight!

LMPOA
"Amigos"
by Betty Davidson

Marty says, "Midnight the Magnificent has rocked many locals, visitors and my world for years. He has been the profile picture on over 30 peoples face book accounts! He may be 22 but still acts like a teenager and continues to bring smiles and Joy to many!!!!" And, it's a fabulous sight to see this duo in a full gallop on our La Mision beach! Thanks for the show, Marty and Midnight
