

# OUR NEIGHBOR NEEDS HELP

by Cindi Kirchoff

This young man is Jose Curiel,  
son of "Don Lucio Curiel,"  
the president of the Colonia.

Jose and his wife have a brand new baby.  
You might know Jose as one of the great waiters  
at La Fonda. He has been diagnosed with a  
serious heart condition and needs tests and surgery.

Anyone wishing to help him can take donations directly  
to him or his dad (they live just west of Trish MacDarby's ranchito)  
or I'd be glad to take it to him on your behalf.
