Treasurer's Report

Our community wants to say "Thank You," to all who are stepping up to the plate to pay not only your Home Owner's bill but also your Security.

The Hill home owners are making great progress in getting their roads redone, and have hired Edgar Ramirez to head up their security at the front gate. I understand that their goal is to have a guard on the front gate 24/7.

As for the Beach, we have Salvador working two nights a week walking with his flash light to keep an eye on our homes. We will be putting Pedro on two nights a week as our gate guard and will no longer have him driving around on Saturday or Sunday. Pedro will still be working 4 days a week (Tuesday and Wednesday in the day, and Saturday and Sunday nights) all on our front gate. So it is a win, win for him and us.

Summer is just around the corner, and we will start up our Beach patrol on the 4th of July weekend. Where does this money come from? Well, it's from the home owners' dues. Your \$120.00 a year helps to keep our beaches not only clean,

but safe. As you have noticed in the last few years since we started patrolling the beach, we have almost no ATV's and less camping overnight in front of our houses.

But as the saying goes, money does not grow on trees. So we still need all who own a home, whether on the Hill or Beach, to pay your Security and Home Owners' fees. **We can no longer expect the few to pay for the many. So if you have not paid your bill, please do so now.** Without your help, we will not be able to keep paying our guards or keep working on the roads.
